

ROCKY MOUNTAIN HI CHAPTER

Denver, Colorado

Society of Decorative Painters

September 2016

Hi everyone,

Fall is in the air and it's time for the Art Show Luncheon. Hope you all can be there and show off your painting projects for this year. If you missed the picnic/auction you really missed a great time. Good food, great friends and lots of time to just enjoy each other's company. From simple and sweet to elaborate, all the auction pieces were wonderful. Thank you to everyone who participated!

The newsletter is a short one this time, next month we'll have pictures of the Art Show and picnic/auction. The October 17 meeting we'll be learning to use textural medium to make flowers and leaves on the surface you bring....**either an egg, or a glass block, or a Christmas ball.** There will be an example at the Art Show and more information in the October newsletter as to what you'll need to bring. Can you believe it's only three months till Christmas....

Keep painting!

Ginny Sparlin President.
